SAFETY SHEET

SECONDSKIN

1. COMPANY & PRODUCT IDENTIFICATION

Commercial Name: Secondskin

2. COMPOSITION/INGREDIENT'S INFORMATION

Anion surfactant mixture, non ionic, anfolitics (biodegradable over 90%) active principles in waterbased solution.

3. RISK IDENTIFICATION

Ingestion only

4. FIRST AID MEASURES

Contact with eyes: wash with plenty of water

Ingestion: seek for medical advise

Inhalation: product is not volatile

5. FIRE FIGHTING MEASURES

Risk of combustion: product is not flammable

6. ACCIDENTAL EMISSION MEASURES

Do not waste the product in the environment, any product outputs should be tied up with sawdust, sand, universal binder, diatomaceous earth. Waste it through specialized and authorized firms. Always follow the correctly practice of hygiene, avoid eyes and clothing's contact.

7. ANDLING AND STORAGE

Andling's precautions: no particular precaution

Storage conditions: hold product in a cool and dry place

Storage instructions: normal dry warehouses

8. EXPOSURE CONTROL / PERSONAL PROTECTION

Respiratory protections: non-volatile product

Hands protection: to use by normale wash operation

Eyes protection: to avoid eyes contact

Skin protection: to use by normal wash operation

9. COMPOSITION

Water - Arnica montana extract - Harpagophytum - Procubens - Calendula officinalis - Collagen hydrolyzate
- Natural emolients - Ammonium - Propolis extract

10. STABILITY AND REACTIVITY

Conditions: the product is stable in normale conditions

Substances to be avoid: unascertained

Danger of decay: not determined

11. TOXICOLOGICAL INFORMATION

Acute oral toxicity: not determined

Ocular irritation: the product may cause mild eye irritation

Skin irritation: not determined

12. ECOLOGICAL INFORMATION

Biodegradability it been evaluated according to product's raw materials or similar (comparable over 90%).
The product can pollute seas, lakes and rivers. To be used following conscious beavhiour.

13. DISPOSAL CONSIDERATION

The product does not require special transportation permits or authorizations. In case of products leaks, collect it and send it to authorized waste treatment plants. Always operate according to local and national's laws (d.p.r 10/09/82 nr 915 and L.475/88)

14. TRANSPORT INFORMATION

Road (ADR): no transport limit

Rail (RID): no transport limit

Boat (IMO): no transport limit

Plane (ICAO/IATA) no transport limit

15. REGULATORY INFORMATION

- DM 28/01/92: According to the Labelling, the product is NOT DANGEROUS
- L. 319/76 and relative updates: waste limit in surface waters, 2mg referred to surfactans
- DPR 547/55: Standard accident's regulation
- DPR 303/56: General rules of hygiene at work
- DPR 175/88: Accident hazards
- DPR 203/88: Atmospheric Emissions

16. OTHER INFORMATION

This card is in addition of the product specification without replacing it. The information are related to the product's knowledge at the shipping date. However, taking in consideration the number of usage possibility and eventual third part ingredient's combine, the manufacturer cannot take any liability for improper usage.
